### **ROAD CLOSURE–McGEE AVENUE AT LINDSEY STREET INTERSECTION**

McKee Utility Contractors, under contract with the Norman Utilities Authority, are currently installing a new 24-inch waterline along Lindsey Street from 24th Avenue SW to Berry Road. This work will require temporarily closing McGee Avenue south of the intersection of McGee Avenue and Lindsey Street and the eastbound right turn lane on Lindsey Street.

Weather permitting, McGee Avenue south will be closed to perform preliminary work at 8:30 am Wednesday morning, April 29<sup>th</sup>, and reopened by noon Wednesday, April 29<sup>th</sup>. Then, McGee Avenue south of Lindsey will be closed at 5:00 pm Thursday, April 30<sup>th</sup>, to begin waterline installation. This work should be complete and McGee re-opened prior to 5:00 pm Friday, May 1<sup>st</sup>. Warning and detour signs will be placed to assist the motoring public.

Drivers are urged to use alternate routes via Crown Point Avenue and Cherry Stone Street. Northbound traffic on McGee headed toward the OU campus are urged to use an alternate route via Vine Street to Berry Road to Lindsey.

Other street closures will be issued as required during project construction. Weather permitting, the Lindsey Street Waterline Improvements should be complete by September 2015.

Contact Mark Daniels, City of Norman Utilities Engineer, at 366-5443 or [mark.daniels@normanok.gov](mailto:mark.daniels@normanok.gov) with questions.
